GRNA THANKS YOU FOR YOUR SUPPORT!

Grass River Natural Area

Our newly opened Grass River Educational Center offers year-round educational experiences. Nestled in the hills of Antrim County in Michigan's northwest corner of the lower peninsula, the Grass River Natural Area encompasses lakes, a meandering river, rushing streams and crystal clear creeks – a haven for plant and animal life including both rare and endangered species. This adventure in environmental tourism lies midway on the renowned chain of lakes, Grass River is a connector of Torch and Clam Lakes and Lake Bellaire.

Grass River Natural Area has something to offer everyone, 365 days a year, free of charge, but donations are appreciated.

- Explore the streams, river and wetlands.
- Hike the trails and boardwalk.
- Snowshoe and ski through the pinewood forest.
- Participate in a variety of programs and classes.
- Enjoy over 1,400 acres of unspoiled wilderness.
- The access road is well-maintained and some areas are handicapped accessible.

Your generous support helps us with:

- Preserving land, water and wetlands.
- Maintaining our new building, trail signs and boardwalks.
- Providing educational programs for children and adults.
- Sponsoring school field trips.
- Offering year-round community events.

If you have questions about the Flower Sale, or about the Grass River Natural Area, please call one of us on the GRNA Flower Sale committee and we'll be happy to help.
